

Chatham Animal Rescue and Education's

Wish List

Many of the products listed have worked well for our fosters, but other comparable toys etc. are wonderful as well! The food listed is often used by many of our foster homes but other food is also accepted.

Distributors shown below have been chosen due to their availability and most if not all of these items can be found online and in stores sold by other distributors.

CARE accepts many types of donations that have been "used"; these include dog crates, dog houses, leashes and collars etc. that are in good condition. Please contact CARE at help@chathamanimalrescue.org to inquire further.

Dogs

- 1) Medium and Large Dog Crates and Dog Beds
